

# WE TEACHERS

## ARIZONA HAS AMAZING TEACHERS!

### THANK YOU...

...for how much you care about each and every child's education,  
...for all the extra time you spend preparing lessons and grading papers that most people never see,  
...for the countless dollars from your own wallets that you spend on supplies,  
...for your dedication in preparing your students for college, career and life!

## We are incredibly grateful for all that you do to build a world-class education in Arizona.
